

WHO NEEDS BRITISH GYMNASTICS MEMBERSHIP?

As an affiliated club of British Gymnastics club, Jolly Gymnastics requires everyone taking part in one of our classes to become an individual member of British Gymnastics. The only exception to this is **Jolly Tots** in our **Stage 1** classes, where parents are responsible for their child/ren at all times, do not require British Gymnastics membership. In this case you will be covered by Jolly Gymnastics' Public Liability Insurance but may wish to become a British Gymnastics member in order to access Personal Accident cover.

TYPES OF MEMBERSHIP

'Community' membership is available for all school-aged gymnasts, costing £26.

A discount of £7 is automatically applied to gymnasts who will remain aged under 5 yrs for the entire academic year.

Your membership will last a full calendar year from the date you register and can be transferred to another British Gymnastics club if necessary. You'll be given an option to auto-renew or manually renew at the end of your membership period.
